SUMMARY

MCA graduate with hands-on experience in frontend development, focused on building responsive and user-centric interfaces. Currently expanding skills toward backend development with a strong understanding of core backend concepts to deliver complete, scalable applications.

PROFESSIONAL EXPERIENCE

Frontend Development Intern | **CodTech IT Solutions Pvt. Ltd** **December 2024 - April 2025**

- Developed a Personal Portfolio Website using HTML, CSS, and JavaScript to showcase skills and projects.
- Built an Interactive Quiz Application with features like category selection, random questions, real-time score tracking, and responsive UI.
- Gained hands-on experience in deploying live websites using Netlify, making projects accessible and professional.
- Strengthened skills in responsive design, clean UI, and practical frontend development workflows.

PROJECTS

1. **MiniVerse - All in One Productivity Hub** **June 2025 – Aug 2025**

- Created MiniVerse, a modular web app with mini-apps (Calculator, Notes, Weather, Calendar) using React.js, Vite, Tailwind CSS.
- Implemented localStorage-based authentication and a responsive Navbar/Sidebar UI with Framer Motion animations.

2. **Personal Portfolio Website** - **Dec 2024 – April 2025**

- Engineered and deployed a high-performance full-stack responsive portfolio web application featuring dynamic project filtering, image carousel, and interactive UI elements.
- Integrated Framer Motion for smooth animations and developed a custom chatbot assistant for user interaction. Focused on clean architecture, reusable components, and responsive design. and implemented a rule-based interactive chatbot for user assistance.

TECHNICAL SKILLS

- Web Technologies : HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS
- Backend & Database : Node.js, Express.js, MySQL
- Version Control & Deployment : Git, GitHub, Netlify
- Development Practices : Agile (Scrum Basics), SDLC
